### Want In On The Action?

#### Advancing Energy Efficiency in Public Spaces

The 6th Annual Market Transformation Conference in Henderson, Nevada, features a unique gathering of energy industry experts and public sector thought-leaders. The conference will kick-off the evening of August 9th with a Welcome Reception.

The morning of August 10th attendees have the option of signing up for the ESC Pre-Conference Golf Tournament as conference activities don't kick into high-gear until early afternoon. Two con-current training sessions start the conference off followed by a special networking break in the Exhibit Hall. The Day One concludes with the opening keynote, our first panel discussion and the evening networking reception.

Day Two is a full-day filled with thought-provoking and informative sessions, two keynote presentations, and the annual awards ceremony and reception. The Expo Hall will be open on both August 10th and 11th, where exhibitors will display the latest technologies and trends in energy efficiency products, strategies and services.

If you are in a position of managing, developing, implementing or marketing energy savings performance contracting programs, products or services, this conference is designed for you!
