### Keynote Opening Panel Discussion Explores Changing GESPC Industry

In keeping with an ESC tradition, the Opening Keynote Presentation is followed by a powerful panel discussion. This year's panel discussion, "The Changing GESPC Industry: What's different for public sector, what's different for private sector," features four panelists who share differing perspectives.

ESC President, Bob Georgeoff (Ameresco), guides the panel through a discussion of the state of the GESPC market, the future, the trends, challenges and changes facing the private and public sectors working in the MUSH market.

The expert panel share facts, offer opinions and interact with the audience answering questions over the course of the hour long discussion.

Panelists include :

- Chuck McGinnis, Johnson Controls
- John Canfield, Trident Energy
- Kristofor Anderson, Georgia Environmental Finance Authority
- David Terry, National Association of State Energy Officials

If you are in a position of managing, developing, implementing or marketing energy

have been reserved for the ESC Room Block. For any additional nights needed before or after the posted group dates, please contact the hotel directly at (800)706-2899 to check availability.
