

4<sup>th</sup> Annual ESC Market Transformation Conference

August 31 – September 2  
Charlotte, North Carolina

### 4th Annual ESC Conference Luncheon Keynote:

The Energy Services Coalition recently announced that Jason Bingham will be the luncheon keynote speaker at its 4th Annual Energy Market Transformation Conference on September 1.

Jason is the Vice President of Energy Services and Controls for Trane Commercial, a strategic business of Ingersoll Rand. He previously served as Vice President for Trane North America's central territory, a \$1.2 billion segment of the business. Jason has held numerous other leadership positions with the company, including Vice President of Strategy and District Manager for Trane's Virginia District.

Jason's presentation will focus on how manufacturers and vendors view the energy retrofit marketplace going forward, and what that means for their goods and services.

Attendance is limited so [register](#) today!

### SPONSORSHIP OPPORTUNITIES

## Did you know?

The ESC's website has a Virtual Tradeshow that features sponsors and exhibitors from the 4th Annual Market Transformation Conference. The booths will remain a part of our website until April 2016 when the 5th Annual sponsors' booths will go live. The Virtual Tradeshow Booth is part of the sponsorship fees and each booth has a virtual brochure, virtual business cards and in some cases company videos. [Click here](#) to visit the ESC Virtual Tradeshow in support of this year's conference.

## Don't forget the Welcome Reception -- August 31

Join us at our Conference opening reception from 6-7:30 pm at the Westin Charlotte and start your Conference experience by networking with participants and exhibitors to ensure you get the most out of the event. The reception will be held in the exhibit hall allowing attendees the opportunity to meet with our sponsors in advance of the start of the conference. [Register](#) today as attendance is limited.

## WANT IN ON THE ACTION?

The ESC is the nation's only private-public partnership whose sole mission is to deliver the benefits of energy savings performance contracting.
