Want In On The Action?

The [Preliminary Agenda](#) for the 8th Annual Energy Services Coalition Market Transformation Conference, August 21-23 at the Curtis Hotel in Denver, Colorado, is now posted to the ESC conference website.

The 2019 conference starts Wednesday evening, August 21st, with a Welcome Reception on the hotel Terrace. Thursday morning, August 22nd, two concurrent workshops get things started at 8 am, followed by the Opening Keynote. Sessions continue through the day capped by the Colorado Chapter Host Reception on Thursday evening. Friday morning, August 23rd, starts off with the Morning Keynote followed by a series of technical sessions. The conference concludes Friday at noon with the traditional "States In Action" session where ESC State Chapters and State Program Managers from throughout the country provide the latest news and information on performance contracting in their state.

If you are in a position of managing, developing, implementing or marketing energy savings performance contracting programs, products or services, this conference is designed for you!

[Registration](#) is now open -- but attendance is limited - so register today! See ya' in Denver.

The virtual trade show booth for Johnson Controls, Inc. features a central white podium with a circular base. Above the podium, the company's name is displayed in a dark blue font. To the left of the podium is a vertical banner titled "COMPANY INFORMATION" which lists the company's address: 2400 Klug Rd, Madison, WI 53713, and a phone number: 800.333.2222. Below this, there is a link to "Visit Website". On either side of the central area are two smaller video screens, each showing a video thumbnail of a globe with a speech bubble icon. To the right of the main display is a "CONTACT INFORMATION" section containing four contact boxes, each with a name, title, and brief description:

- Charles K. McGinnis**, VP Sales-North America, Performance Infrastructure and Energy Solutions
- Phillip Loomis**, North American Director, State Government, Performance Infrastructure and Energy Solutions
- Russell Garcia**, North American Director, Higher Education, Performance Infrastructure and Energy Solutions
- Lisa Brown**, Vertical Market Director, Local Government, Performance Infrastructure and Energy Solutions

[Johnson Controls](#) helps clients deliver smart environments, bringing ingenuity to places where people live, work, and travel through self-funded solutions ... guaranteed!

The Energy Services Coalition is pleased to have the support of the exhibitors in our Virtual Trade Show. As a coalition of public and private energy professionals we do not endorse or promote any private sector product or solution.
