### Bronze Sponsors

### Morning Keynote: Christian Williss, Director, Transportation Fuels and Technology, Colorado Energy Office

Friday morning's sessions begin at 8am with a morning keynote from Christian Williss, Director of Transportation Fuels and Technology, Colorado Energy Office. The presentation will explore zero emission vehicles and transportation electrification in Colorado. This session will include a discussion on blending grants/incentives with performance contracting financing approaches as a means of implementing in the public sector.

### Conference Registration and Sponsorships:

Conference [Registration](#) remains open and [sponsorship opportunities](#) are still available.

**Gold Sponsors**  
(click the logo below to visit our sponsors)

Time is running out to secure your exhibit space in support of this year's conference. For more information on various sponsorship levels and associated benefits, please [click here](#).

In addition to a booth at the conference, all sponsors get a booth in the Energy Services Coalition's [Virtual Trade Show](#). The Virtual Trade Show will remain open long after the conference concludes with entrance through the ESC website. Sponsors not only get a "traditional" exhibit booth at the conference (and free conference registrations), but their Virtual booth will be live on the ESC website's Virtual Trade Show until April 2020.

*The Energy Services Coalition is pleased to have the support of the exhibitors in our Virtual Trade Show. As a coalition of public and private energy professionals we do not endorse or promote any private sector product or solution.*
